BIBLE STUDY

Bible Text: 2 Timothy 2:15

Teacher: Adewuyi O. Moses

Dear reader, this study material you are about to read is in series, KINGDOM INVESTMENT SERIES and you can only get a full dose of it by reading the seven different topics under the series. They are Praise and Worship, Bible Study, Prayer, Evangelism, Offering, Tithe & Service, you can see details on how to get others at the end of this booklet. God bless you!

You are all welcome once again to tonight's study, I pray that the Lord will take control and teach us himself in Jesus name. We started a series of study yesterday and we were taught about one of the ways we can invest and build our mansions in heaven, through Praise and Worship, I believe we all remember. Today, with the Holy Spirit helping us, we are going to be looking at another way of investing in where would be called our home at last, that is heaven but before I go into that, let me make us know some things.

There are some investment companies here on Earth where you would be told to drop your money and come back to collect in the next two weeks or more the money you invested plus 20% extra, this can also be applied to how we invest in heaven but heavenly investment does not only deal with you giving out your money only, it deals with many other things and its gain is much more greater than that of the Earthly one.

You are likely to get a crown and not just any crown, crown with stars when you invest

rightly, you will also get a heavenly furnished home as a reward. Heavenly investment is where you are sure of getting your reward only if you get there, but earthly investment might crash at any time, we have heard of different companies closing down and going away with their investors money but that of heaven is not like that, as long as you can struggle through the huddles of life and you get to heaven, you will surely reap what you have invested, I believe we that are here will surely get to heaven in Jesus name. Amen

Let's go into the second way through which we can invest on earth and reap it in heaven. The second way is through **Bible Study** going into the book of

2 Timothy 2:15.

Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth.

As a Christian, we know that the word of God is our strength and power over the devil, the devil never stays where the word of God dwells. This verse is talking about diligence at first, we know what it means to be diligent, to be serious with what we do, to be fervent with it not to be lazy. We should be serious and follow God's word strictly for us to be able to present ourselves to God, do you know that before you can be approved before God, you must be diligent with his work?

Someone who is truly born again cannot be lazy, if he/she is lazy, it simply means the person is not truly born again, why? When you are born again, there are things you will start doing, like waking up in the night to pray, fasting, serious studying of the word of God, Evangelising, teaching and many others so do we say such person is lazy, no, the person is not. If you are not diligent with the work of God, it means you are not yet approved by Him, we must be diligent before we can be approved by Him

Now, a work man who does not need to be ashamed. Firstly, who is a worker, a worker is someone who works in a particular place, according to the Bible, a worker is someone who has totally given himself to the work of God, someone who reads and studies the Bible more often and someone who is not ashamed of the work he does, he is termed as a true worker. As a worker, we shouldn't be ashamed of our father's work, we should be able to speak of him wherever we get to.

Rightly dividing the word of truth, exactly where I am heading to. Please follow me carefully, when you get a coconut fruit and you want to eat it or drink its water, will you throw the big coconut into your mouth without breaking it, no, it's not possible and if you don't break or divide it into two, you won't get what you want, you won't be able to access the sweetness of it, this is how the word of God is. When you don't divide the word, dividing the word doesn't mean you just opening your Bible probably on Sundays, it means you knowing exactly what is written there in, if you don't divide it, you won't be able to get the truth inside.

The devil knows that studying the word/Bible makes our mansions in heaven being built

up so he stops us from studying the Bible, anyone who now feels too stubborn to agree to that, makes the person to read the Bible while the person thinks he is studying the Bible, hmm

Is someone following me?

Do you know that you can read the Bible and not study it?

Someone who just comes just to fulfill all righteousness and glances through the Bible as if he is reading a story book does not send materials to those building his house in heaven, if you wake up, just to make sure you read the Bible before going to work, you just take it and you start rushing it, you are just reading, you are not studying, this is why teachers tell students that read and study your books, reading only comes with the consciousness of you seeing words, you might not even know the meaning of the words but you just pronounce them just to make sure you have read your Bible so if anybody asks you, have you read your Bible today?, You reply yes, at least the person didn't ask you if you have studied the Bible, so you think you have truly read the bible.

Psalms 119:28. **My soul melts from heaviness; Strengthen me according to Your word.** It is through the word of God that we are strengthened so if you don't read and study the word of God, how do you get strengthened, the worst part is that if you are not strengthened, you are liable to fall back soon which can cause backsliding. If you don't study your Bible, there are some Revelations you won't get, you can only get new words since you are reading it, the Bible now turns your dictionary, whenever you read, you get a new word instead of a new rhema/revelation.

Some people's building are collapsing gradually, why? The materials they are sending to heaven are very weak, imagine you mixing only sand to build the foundation of your house, now using cement and bricks to continue the building, it will crumble at last, when you rush through the Bible and you just read the words, there is a high probability that you are sending weak materials to heaven because you have not gained anything with all you have read, you have just struggled to glance through, later, the mansion will just crumble since you are sending weak materials there. Do you know that some people's mansions are already built up but later crumbled and went back to the foundation level?

The reason is because, at a time, they were reading and studying their Bibles and following what is written there in but later, they got entangled with ungodly friends who drew them away from the word of God and they started reading the Bible once in 2 weeks, twice in a month, once in a month and so on, they have started misinterpreting the word of God, they now change the word of God to suit themselves but they are not aware that the building they have been building since they gave their lives to Christ are now crumbling, what a pity!

Some people see the word of God as a past recorded words and they claim that they are now in the era of grace without knowing what Hebrews 4:12 says that, **For the word of**

God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. They don't know that the word of God is living, because God knows the future, he had already said things concerning the future in His word.

Anybody who wants his mansion in heaven to be built and not neglected should read, study, abide by and understand the words of God, never change it because his words standeth sure. Some people do not know the day for Bible studies in their church, why? Because they don't attend at all, some people attend once in a while, well, not everybody loves big mansions, some people might wish to live in a room and parlour without roof, listening to His words and studying His words are part of the ways of sending materials to heaven.

You must study the word and also get its right interpretation so that you won't misinterpret his word. Some people's buildings look like uncompleted buildings in heaven, some are without windows and doors, some people will eventually get to heaven and be roaming other people's streets, why? They didn't send materials to heaven, some will get to heaven and stay on their land without even a foundation on it, while some will have cities and streets in heaven and not get there at last, let's be careful, the Bible says that let he that thinks he stands take heed lest he falls. Some people don't even wish to hear God's words at all, when they listen to the radio and a message is going on, they hiss and switch the station, why should you be angry at God's words.

What of those who use their mobile phones to read the Bible, they don't have hard copies or have probably misplaced their hard copy bible, they now use their phones as their main Bible and their personal study, their data is on while they are online in every of their social media account, they claim to study their bible and whenever a message pops in, they reply the message and continue studying the Bible as they claimed, what a disaster, the devil is so wise that he makes one too occupied to read and study the word of God because he knows the truth can only be found there in and he doesn't want people to know the truth. Some people put their food on fire and claim to start studying their bible, they stand up, go to the kitchen, check their food, come back to continue reading their bible, they allow little little distractions all in the name of fulfilling all righteousness. The devil is so cunning in his ways that he makes people even doze while reading the Bible, some people have even turned the Bible into a sleeping pill, wonderful, whenever they find it hard to sleep, they pick up their bibles since they know they will surely doze off once they start reading and the devil brings sleep immediately they open the bible.

When some people wake up, they meet saliva on their Bibles and realized they dozed off while reading the Bible. How will you doze off when you get revelations from the word, how will you doze off if truly the Holy Spirit is ministering through His words to you, how will you doze off, just tell me! I tell you, if you are the type that argues with every single thing written in the Bible and you claim you are sharing the word of God together with

someone, you argue about anything written there in and you change the words and interpret them wrongly to suit your desire, you are missing it, you have no reward, if you go to Bible study just to pick out the area the preacher or teacher has made a mistake and you think materials are being sent to heaven just because you attended, I am sorry for you sir/ma, you lie because your main reason of going is not to hear the word of God but to pick out someone's mistakes and to make jest of such person, if you always find it interesting to meet those evangelising the truth, to ask them confusing questions and to make them confused and you think you are at least talking about the word expecting a reward, you lie sir/ma.

In conclusion, if your motive of studying the word is to show to people that you are worded or that you also know the word, you just want to show to people, do not expect an heavenly reward for that, you can only get an earthly reward for it, always make sure your motive of reading and studying the word is to gain something from the throne of God not to show off. May God guide us all in Jesus name. We have come to the end of tonight's teaching.

QUESTION

My question is that base on today teaching does it mean that everybody here on earth going to make heaven? If no, does it mean reading and studying the Bible justified someone in making heaven?

Answer 1

Concerning everybody making heaven, it's not possible everybody makes heaven, this is why it is written in Matthew 7:22. **Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' 23. And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness!'**

Anybody who doesn't place his life in alignment to God's will won't make heaven, anybody who is not born again won't make heaven, that is why I said the other time that some people will have big mansions and end up not getting to heaven if they are not holy within and without. Reading and studying the bible is not the only thing that justifies one in making heaven, it's one of those things, we still have other things like praying and being Holy within and without, anybody who is not holy cannot enter into God's kingdom, reading and studying the Bible is only one of those things which justifies one in making heaven.

Answer 2

Thank you sir, to add to this.

Not everyone on earth will make heaven as cited above. Reading and studying the Bible does not **justify** one in making heaven, it is only doing the will of God through faith that justifies someone. And the bible says **faith comes by hearing, and hearing by the WORD**

OF GOD. The fact is this, to make heaven, you must do the will of God, and to know the will of God you must read the word of God, and if you don't read the word of God, you cannot know the will of God in order to do it, and if you don't know the will of God and does not do it, you cannot not make heaven. So it means reading and studying the word of God contributes to our making heaven.
