

05 The Rock That Saves And Also Kills - 15 10 2026

Jesus God told the adulterous woman to go and sin no more, but that does not mean He has forgiven her. You should know, the reason why Jesus did not tell them to stone her to death is because He Himself is the rock "the word" but He came as Mercy, that's why He said go and sin no more, but God Is not complete without judgement. This is why He said I Am the omega, I will also come as judge, when He told her to go and sin no more it doesn't mean she has been forgiven.

Adultery is a sin that can never be forgiven this is why God said stone them to death, there are some sins that cannot be forgiven because it reveals you have the heart of a demon, how can a married person have sex with another person without feeling anything or having a guilty conscience that he or she is married. This is the heart of a Demon.

David escaped being stoned because he was a king, and he also did not stone his son to death who raped his own daughter, do you see the wicked heart of a demon in David. When Jesus say you are forgiven, at times He gives you His spirit to restrain you from becoming more darkness, this does not mean you are forgiven, the adulterous woman and also people in this generation who commit sin like adultery.

If Jesus gives you the holy spirit, it doesn't mean you are saved, it is an act of love to prevent you from becoming greater darkness, because the greater you become darkness the greater your eternal suffering shall be, so the spirit of God can restrain a person from doing more evil, this is an act of love they does not mean you are forgiven. Jesus is the rock, the word, that was why He refused them from stoning her to death, this is saying now that I AM here, now that I have come as a man, I am the rock.

And I tell you, I Am the Rock that also kills, the time will come where I will cast them into the lake of fire. I Am The Rock who judges. If I command to stone to death and I Am the Rock, is this not telling you that King David and even the Adulterous woman have been cast into the lake of fire

The hearts of many is greatly disturbed, we'll say much on this later on but to prevent your heart from creating more sin by saying things you shouldn't say, this message has been sent. I do not love to live my children without giving them plain and full understanding, the previous message and this message also are given in part, for now you can only understand little of it unless you depend more on God

And yes, anyone who has the spirit of God and went back to have wrong sex, even though they ask for Mercy and then received the Holy Spirit again, they also are not forgiven. Understand why I give them back the Holy Spirit, but also remember they have made their heart become the heart of a demon, there are many sins that cannot be forgiven, refusing to say I'm sorry, when you continue to delay in saying I'm sorry, you are also creating the heart of a demon in you and when you delay to an extent you will never be forgiven because you have made yourself into a demon.

This is why I said stone them, I Am the Rock, I Am the Judge, I Am the Omega, I Am also judge, and I'll judge you for that nature of a demon you created inside of you. Your Heart is being weighed by the scale of God, do not make your heart into a demon, because I Am the Rock who shall stone/cast you into the lake of fire

David, the Adulterous woman, the Samaritan woman at the well and all the sins that required being stoned to death are all sins that cannot be forgiven, and also many more, we shall reveal these more plainly to you.

I say to you, if you cannot say I'm sorry, do not even think of praying to me, go back and genuinely apologise to that person you hurt, if not I will never forgive you, did I not tell you this in the new testament

I do not even have time enough to go through this message if there are spelling errors. For your sake I am sending this now. As said, we'll reveal more on this, more plainly and clearly

I bent down and wrote on the ground when the Pharisees wanted to kill the woman, you must understand why I did that. My act of bending down and writing on the ground is revealing to you that I will not look at your face when I am judging you, I will not look at you for who you are or what you've done, even though you are Enoch, I will not spare you, even though you have the Holy Spirit, I will not spare you, if you created the nature/heart of a demon in you. I didn't even look at the woman's face, My face was bent towards the ground writing (passing judgment) and when I'm done and I will raise my face up.

In other words, that Adulterous woman the Pharisees brought to Me and also king David, and any one who is guilty of creating the heart of a demon in them by the sin they have committed, I will never forgive them, including you who continue to reject correction

Do not become a demon (a being of darkness that God can never restore back to light)

Take care of your heart
